

**Join us for the 2021-2022 season of The Children's Theatre of Cincinnati!**

## **TICKET SUBSIDY PROGRAM GUIDELINES**

Our underwriting program is set up to benefit schools with **50% to 100% free & reduced lunches**. If you receive the subsidy, your school will be scheduled to attend the **12:15** performance options only.

Please reference the attached school reservation form for regular single ticket and subscriber ticket pricing.

### **Here's how it works:**

- To receive underwriting assistance, your field trip reservations must be submitted and accompanied by an underwriting request application. An Underwriting application is attached to this email and is available on our website at [www.thechildrenstheatre.com](http://www.thechildrenstheatre.com).
- If your school has multiple groups scheduling field trips with us this year, each group must submit their own application for assistance. Approval of one group to receive the subsidy does not extend to all other groups in the same school.
- Allow two-weeks for processing your request and for confirmation of underwriting assistance. All confirmations for the subsidy will be forwarded to the person submitting the application in writing via email unless otherwise requested.
- Underwriting funds are limited and not guaranteed! Requests will be accepted on a first come, first serve basis.
